

CREATIVE SIMPLE CARING

Nimalogistics.co.ke

About The Company

Our ambition is to make freight management as efficient as possible for our customers. It's also our goal to ensure that our customers enjoy cost-effective solutions to allow them to save money.

***WE'RE HERE TO ASSIST IN YOUR
LOGISTICS NEEDS.***

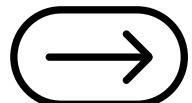

Word From The CEO

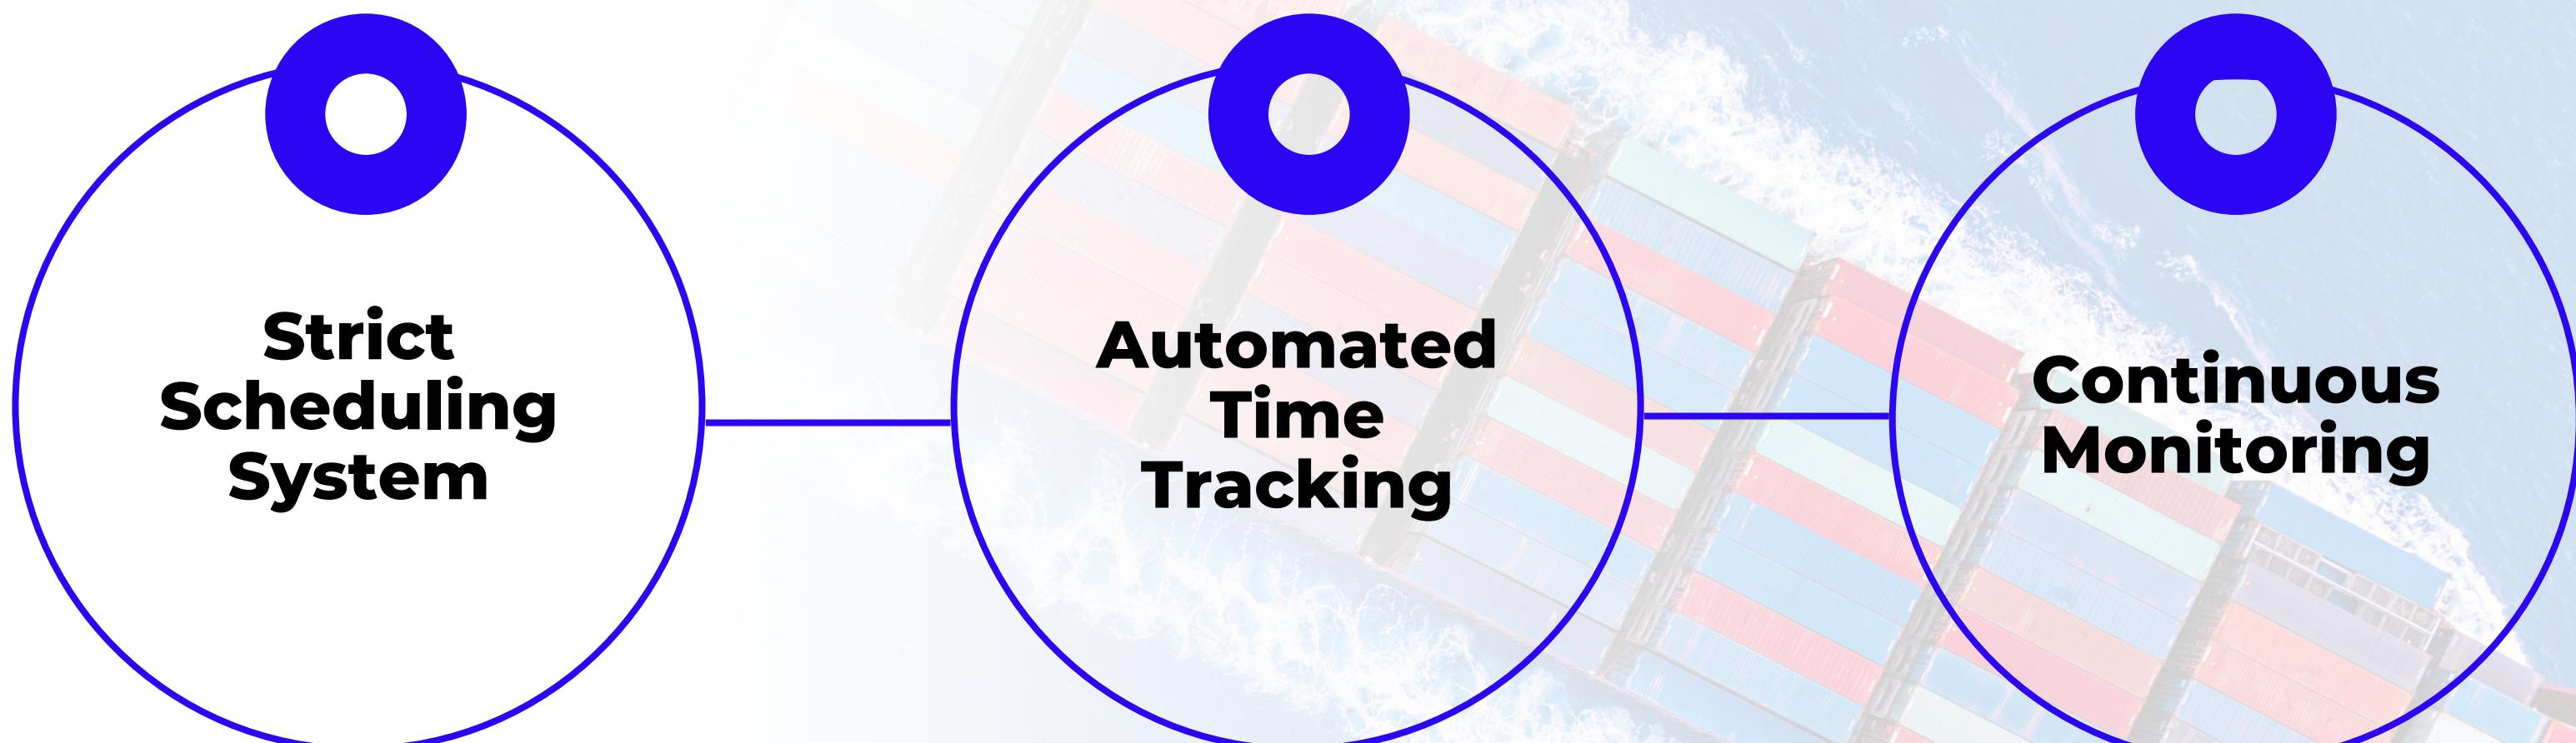

At NIMA Logistics we have two priorities, to make the customer experience extremely efficient while we provide the needed services that many do not provide and second is to make a shift of how the traditional logistic procedures to more dynamic cost efficient and easy for our customers.

Grow your business with us! Come and experience our top notch services in logistics needs.

Accurate Time Management

We are the go-to professionals in the field of clearing and forwarding. We also pride ourselves in the quality of services offered in project logistics, airfreight, sea ocean freight, and land freight.

OVERVIEW

OUR COMMITMENT

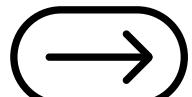

We have a clear mission and vision of being the premier provider of logistics services and solutions. To this end, we aim to earn and retain the trust and respect of our customers.

CUSTOMER NEEDS

We constantly adapt to our customers' needs. This is borne out of the realization that customers' needs change all the time. Globally, the environment keeps changing too. These changes forced us to embrace an adaptive approach.

We're just a call away to expedite your clearing and forwarding needs through an established network of our partners and KRA

OUR PROCEDURES

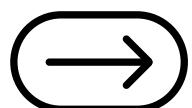

We constantly adapt to our customers' needs. This is borne out of the realization that customers' needs change all the time. Globally, the environment keeps changing too. These changes forced us to embrace an adaptive approach
